Price comparison between 91 springboard and its competitors at Andheri West, for price comparisons the highest most premium price was taken, the price is zero for those companies whose price is not listed on their website.

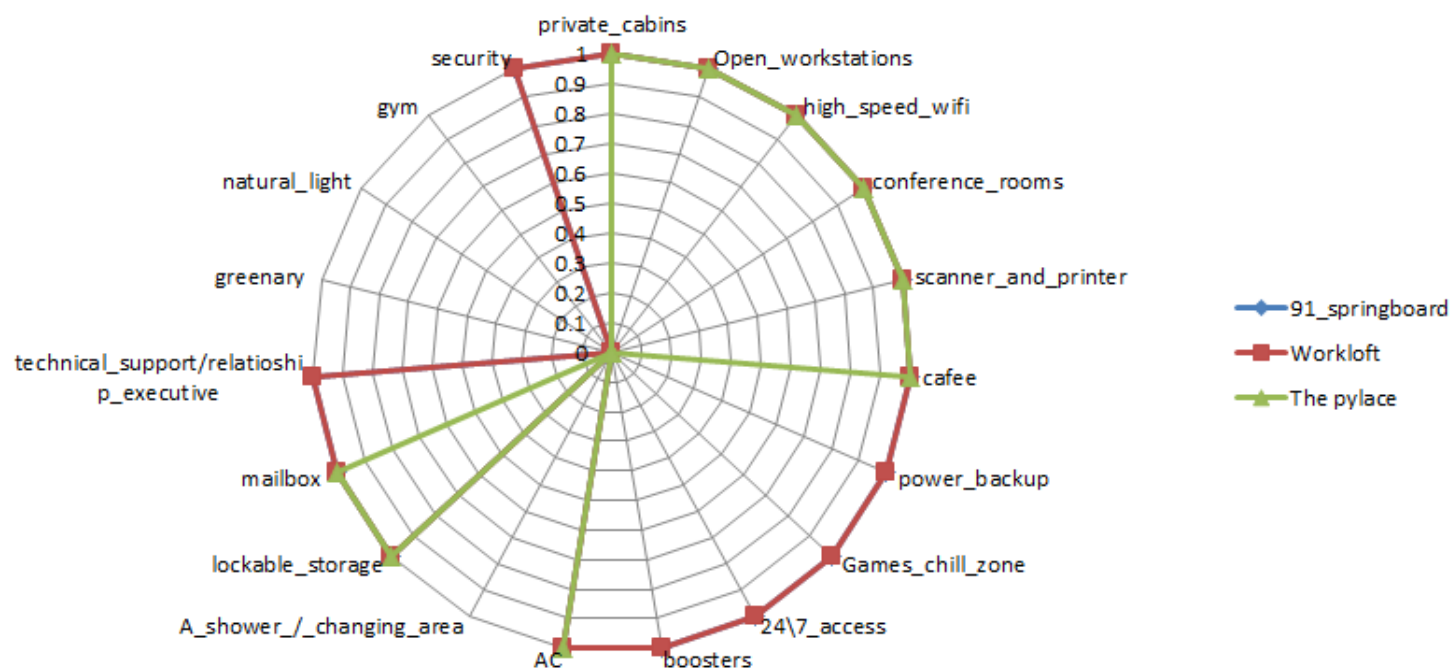

Andheri West appears to be a bad spot for expansion as the number of competitors is high and many have similar features to offer as 91springboard. But 91 springboards pricing can make the difference for the features it offers.

Smartworks

Price comparison at Worli

Worli is a good place for 91springboards expansion.

Conclusion

91 springboard appears to have the price and feature advantage in most business districts, so 91 springboard can look forward towards expanding in any of them except Andheri west which is too crowded in the co-working space.
